INDIGNANT DENIALS OF CORRUPTION.

The implicated Aldermen are indignantly emphatic in their denials that any bribery was practised, and assert that, although time the latter gave up his certificates in the Mr. Cuthbert, Aged 80, Whose Bride hey all voted for the franchise, they did so Union Company. on public grounds, and because they thought It is a curious fact that Alderman Kane

All this serves to further complicate mat ters, and those who are outside and merely onlookers are beginning to realize how extremely difficult it is going to be for the riends of President Putnam to substantiate eir charges of bribery and corruption, even ald be perfectly true. There has if they sh en plenty of suspicion ever since the franshise was granted, but suspicion falls very far short of constituting legal evidence.

On the other hand, Edward Lauterbach comes to the defense of Mr. Barrett and declares that the alleged discovery of the people who have brought the suit is no discovery at il, because the shares of stock which Mr. Barrett holds have stood in his name ever since the Company was organized, and his right to vote upon them has never before

This directly contradicts the statement alleged to have been made by Mr. Barrett to Mr. Putnam and his friends that he had the stock from the deceased gentleman before mentioned.

Mr. Lauterbach also says that Mr. Barrett to A severe bitgrard, accompanied by a leasy fail of anow, prevais throughout Southern lilinois.
